

**2023-24 SEASON**

**WINTER**

**ESCAPE**

# WELCOME!

We are so excited to have you join us at RideHVMC “Winter Escape” program. We aim to offer the highest possible all inclusive track experience at one of the countries most unique motorsports destinations. We plan to have a lot of fun together with the “Garage Ocho” Crew and can’t wait to get you out to the track!

You’ll be joined by 9 other guests also generally making the trek from the tri-state area. We hope you’ll make some new friends and continue expanding our riding community.

**Please feel free to reach out to Corey or Richie with any questions!**

# THINGS TO BRING

## JUST SOME SUGGESTIONS!

**Tire Warmers** - if needed

**Front / Rear Stand** - if needed

**Battery Tender & Extension Cords**

**Any Special Tools Particular To Your Ride**

**Tire Pressure Gauge**

**Gear Bag** - you will need a DOT & SNELL approved full face helmet, a leather suit (1 or 2 Piece that zips together), gloves that cover the wrist, boots that go above the ankle and a back protector.

**Fuel Can** - there are gas pumps at the track with high octane pump fuel. If you require a special gas we suggest sourcing your own to be transported to Chuckwalla or shipped direct to the track.

Official Partner of RideHVMC

**For any parts, accessories, and gear needs please feel free to contact our supporting dealership, Hudson Valley Motorcycles!**

# BOOKING YOUR TRIP

## QUICK WEEKEND GET-AWAY

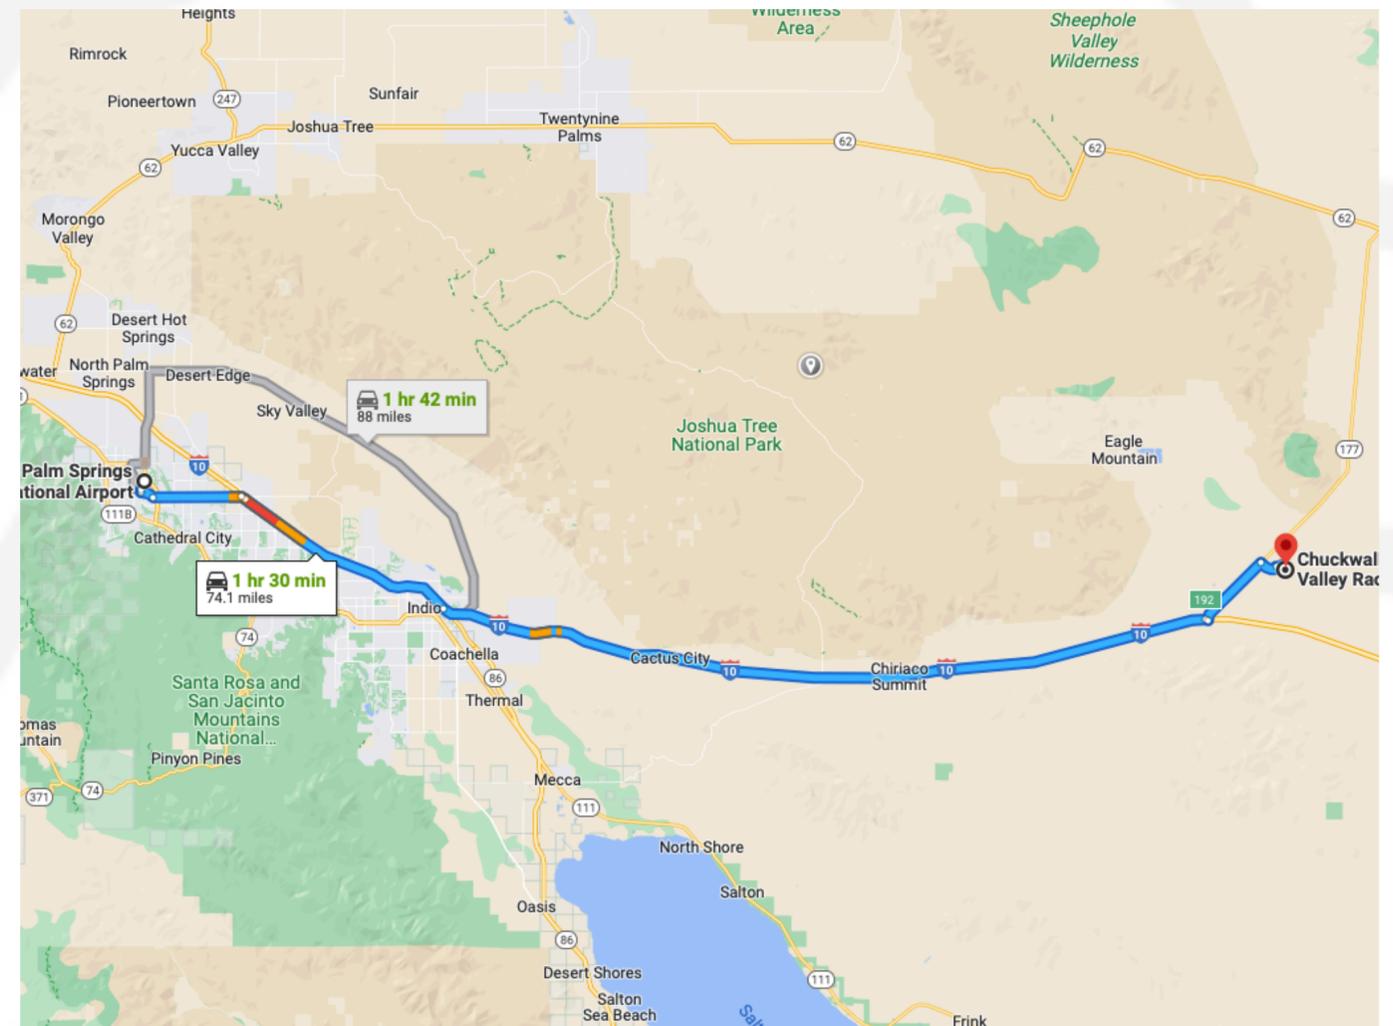

**Flight:** Jetblue - JFK to PSP direct. Delta also has some connecting flights through Ontario.

**Rental Car:** Pick up / drop off at PSP

**Food:** The track is remote. We suggest picking up your weekends worth of food / beverage in Palm Springs before heading to the track. There is a Walmart right off of the highway en route. We have a fridge in the garage as well as your cabin rental.

**Lodging:** Confirm booking with Corey if staying at the track. Otherwise there are AIR BNB options in nearby Joshua Tree or of course hotels in beautiful Palm Springs.

**Garage Access:** Someone from RideHVMC should always be at the track to assist you when you're there. If not please contact Corey and he can guide you through accessing the garage via our key pad. Keep in mind the garage is under video surveillance for yours and our safety!
