We are so excited to have you join us at Chuckwalla Valley Raceway RideHVMC “Garage Ocho” for the duration of your bike rental. We plan to have a lot of fun together and can’t wait to get you out to the track!

You’ll be joined by other guests from the tri-state area with a shared passion for motorsport. We hope you’ll make some new friends and grow our riding community.

BOOKING YOUR TRIP

QUICK WEEKEND GET-AWAY

Flight: Jetblue - JFK to PSP direct. Delta also has some connecting flights.

Rental Car: Pick up / drop off at PSP

Food: The track is remote. We suggest picking up your weekends worth of food / beverage in Palm Springs before heading to the track. There is a Walmart right off of the highway en route. We have a fridge in the garage as well as your cabin rental.

Lodging: Confirm booking with Corey if staying at the track. If you plan to commute back and forth to Palm Springs or the surrounding area please confirm so we can cancel your cabin rental.

Garage Access: Someone should always be at the track to assist you when you're there. If not please contact Corey and he can guide you through accessing the garage via our key pad. Keep in mind the garage is under video surveillance for yours and our safety!
